READING COMPREHENSION (2 POINTS)**Staycation: Vacation at Home**

Sometimes, we spend our holidays at home, often called a staycation. It can be relaxing and saves money compared to traveling far. You still can do plenty of fun activities without the need to pack your bags. Here are some ideas for a great staycation.

Firstly, you can explore your own city as if you were a tourist. Visit local museums, parks, or even new places. You could discover hidden gems right where you live. Don't forget to try different foods at local restaurants or cafés.

Secondly, you could have a day of pampering at home. Take a long bath, do your nails, or even try a new hairstyle. Put on your favourite music and relax. You can invite friends over and make it more special with everyone's company.

Another activity is to have a movie marathon with snacks and drinks. Choose films that you love or new ones. Make your living room cosy with pillows and blankets. Turn off the lights for a better movie experience.

Lastly, you can start a small garden or plant some flowers on your balcony. Gardening is a peaceful hobby that can make you happy. Watching your plants grow every day can bring a lot of joy.

In conclusion, you don't need to go far to have a wonderful holiday. Staycations offer many possibilities to relax and enjoy your time, but the most important thing is to have fun.
